

Hazardous Materials Awareness Training

This training requirement can be completed by submitting a course completion certificate for any of the following:

Hazardous Materials Awareness that continues to be offered throughout Illinois. Current offerings are listed on the [IEMA training calendar](#).

Hazardous Materials Awareness that continues to be offered thru local fire, law enforcement departments and mobile training units.

Hazardous Materials Awareness that is currently being offered on-line thru the Illinois Fire Service Institute - <http://www.fsi.illinois.edu/content/courses/>.

Additional classes, which will be considered on a case by case basis, can be submitted with the IPEM application.
